SCANDINAVIAN PHILATELIC PERIODICAL LITERATURE

This literature, which is not extensive, seems in fact to be quite limited. During a recent trip to Scandinavia, I sought to find as much as possible but in most cases it seemed to be unknown to those questioned. Nor was I able to find the individual items. There was very little even in the libraries of the many philatelic societies. In spite of that, I was able to make a number of new finds that should be included in the catalogue. The remaining gaps can be filled in by the co-operative efforts of our Nordic philatelists
