POSTAL AND TELEGRAPHIC MUSEUM LIBRARY
PHILATELIC CATALOGUE

The Library at the Postal and Telegraph Museum offers its patrons and readers the **Philatelic Catalogue**, a book compiled from the museum's library resources.

The catalogue is arranged in alphabetical order by authors and includes 263 references to books related to Philately.

The SABINI information system was used to compile the information. The bibliographic terms have been set in accordance with the Cataloguing Rules of the Culture Ministry and the standards set by ISBD(M).

For requests, consultations, and more information, the library can be contacted by phone at: 22320 or 3962320.
